PRESS RELEASE**

**Alamogordo Public Schools Expands Opportunities at Upcoming Job Fair:  
On-the-Spot Interviews and Letters of Intent Offered**

**Tuesday, July 11, 2023 - Alamogordo, NM – Alamogordo Public School District**

Alamogordo Public Schools (APS) is excited to announce the expansion of opportunities at its upcoming job fair. In addition to discovering the exceptional work environment and diverse range of positions available within the district, potential teachers will now have the chance to participate in on-the-spot interviews with principals and receive letters of intent. This highly anticipated event will be held at the Mountain View Middle School Cafeteria on July 14th, from 1pm to 5:30pm, and promises to be an invaluable opportunity for job seekers in our community.

Representatives from all APS Departments will be present at the job fair, actively engaging with potential candidates, and conducting mini-interviews. This unique feature enables attendees to directly interact with department representatives, gaining valuable insights into the various roles and responsibilities associated with their desired career paths. By providing on-the-spot interviews and letters of intent, APS aims to streamline the hiring process and offer candidates the possibility of immediate employment.

Furthermore, APS recognizes the importance of supporting individuals interested in becoming teachers through alternative license pathways. Staff will have information about alternative licensure and have scheduled a “Next Steps” meeting on Monday, July 17 from noon to 2pm at the APS Administrative building, 1211 Hawaii Ave. The meeting will answer questions and provide additional information about Alternative License Pathways. Lunch will be provided to attendees and those who cannot attend in person can attend virtually via Zoom (link to follow). Alt license applicants who are offered teaching positions will have the opportunity to embark on their teaching career right away as a level one teacher while completing pathway requirements. To ensure a successful transition into the classroom, APS provides a comprehensive mentorship program for all new teachers and professional development through the New Teacher Academy. In addition, instructional coaches and one-on-one support are readily available to assist teachers throughout their professional journey.

"Our alternative licensure teachers bring unique gifts and enthusiasm to the profession and create excitement for our students." stated Pam Renteria, Acting Superintendent of Alamogordo Public Schools. "By offering on-the-spot interviews and letters of intent at our job fair, we aim to attract talented individuals who are eager to contribute their unique skills and perspectives to our educational community."

Whether you are an experienced professional seeking new challenges or a recent graduate embarking on your career journey, Alamogordo Public Schools offers a wide array of opportunities for personal and professional growth. Join us at the APS Job Fair on July 14th to explore the possibilities and take the first step toward a rewarding career with a supportive and vibrant educational community.

###

Have a bachelor's degree or higher in a non-traditional teaching field and wish to "fast-track" into teaching?

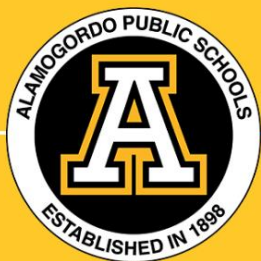

## **Alternative Teaching License Pathways**

are for you!

Alamogordo Public Schools will help you navigate the different pathways offered through NMPED. You will be on the job in the classroom while you complete your pathway requirements, but you won't be alone. APS offers a great mentorship program for all new teachers, New Teacher Academy, instructional coaches, and 1 on 1 support.

**Your years of experience in fields other than teaching could have significant relevance in the classroom, we want to help you become a great teacher!**
