Special Election Ballots are in Your Mailbox

Wednesday, April 19, 2023 - Alamogordo, NM – Alamogordo Public School District

Alamogordo Public Schools is holding a Special Election and the mail-in ballots have been sent to all registered voters in the APS School District. That’s why it’s more important than ever to watch your mailbox! Please take a few minutes to answer yes or no to the three ballot questions and return it to the Otero County Clerk’s office no later than Tuesday, May 9th. “Ensuring that our students, teachers & staff have the resources they need to grow and thrive is our top priority. The bond and mill levies are utilized for capital outlay and infrastructure projects, technology, and facility maintenance. The community can learn more on our website at www.allin4ourkids.org,” said Acting Superintendent Pam Renteria.

The community's continued support of the General Obligation Bond and the current SB9 and HB33 Mill Levies will not increase the current tax rate and will not impose a new tax. Approval of these questions will help provide funds needed to lift our older schools to a higher level, increasing safety and security, improving indoor and outdoor learning environments, athletics, technology, and building systems. These funds cannot be used for salaries and are designated for capital improvement, infrastructure and maintenance projects that are critical to our students, teachers and staff.

Have questions? Visit the special election website at www.allin4ourkids.org to find answers to frequently asked questions, videos, sample ballots, links to valuable resources and more. You can also send questions to communications@alamogordoschools.org or call the Otero County Clerk’s office at 575-437-4942 if you have specific questions related to the ballot. Watch for your mail-in ballot, vote, and return it to the Otero County Clerk’s office by May 9th.

We’re all in for our kids and we hope our community is too!
